

REMARKS/ARGUMENTS

Claims 1-51 are pending in the application. Applicant reserves the right to present these and other claims in this and in other applications.

The Examiner has rejected claims 4, 9, 11, 15, 16, 19, 20, and 26-51 as being indefinite under 35 U.S.C. § 112(2). In response, various claims have been amended to remove this indefiniteness. Also, the Examiner's suggestions from the e-mail of January 14 have been fully addressed herein.

Accordingly, it is respectfully requested that the rejection of claims 4, 9, 11, 15, 16, 19, 20, and 26-51 be withdrawn. In light of the above, all claims should now be allowable, either on their own merits or for depending from allowable claims. The Examiner's timely consideration is respectfully requested.
